Moderately, with a beat

Hearts go a - stray, leav - ing hurt when they go, I went a -
Filled with re - gret, I come back beg - in' you, for - give, for -

way, just when you need - ed me so. knew?
get; where's the love we once knew?

O - pen up your eyes, then you'll re - al - ize here I stand with
Where life's riv - er flows no - one real - ly knows till some - one's there to

my Ev - er - last - ing Love. Need you by my side, girl to be my
show the way to last - ing love. Like the sun that shines, end - less - ly it

bride, you'll nev - er be de - nied Ev - er - last - ing Love. From the ver - y
shines, you al - ways will be mine, it's e - ter - nal love. When oth - er loves are

start, o - pen up your heart, be a last - ing part of Ev - er - last - ing
gone, ours will still be strong, we have our ver - y own Ev - er - last - ing

Love.
Love.
