3. Oh, once I had some money but I gave it to my friend.
He said he'd pay me double, it was only for a lend.
But he said a little later that the horse she was so slow.
Why he gave the horse my money is something I don't know.
4. My brother took his suitcase and he went away to school.
My father said he only learn'd to be a silly fool.
My father said that I should learn to make a chili pot.
But then I burn'd the house down the chili was too hot.
5. The window she is broken and the rain is coming in.
If someone doesn't fix it I'll be soaking to my skin.
But if we wait a day or two the rain may go away.
And we don't need a window on such a sunny day.
