Verse 2:

It's not always easy to be living in this
World of pain.
You're gonna be crashing into stone walls
Again and again.
It's alright, it's alright,
Though you feel your heart break.
You're only human, you're gonna have to
Deal with heartache.
Just like a boxer in a title fight;
You got to walk in that ring all alone
You're not the only one who's made
Mistakes.
But they're the only things that you can
Truly call your own. (To Chorus:)

Chorus 2:

Don't forget your second wind.
Wait in your corner until that breeze blows in.

Verse 3:

You probably don't want to hear advice
From someone else.
But I wouldn't be telling you if I hadn't
Been there myself.
It's alright it's alright;
Sometimes that's all it takes.
We're only human,
We're supposed to make mistakes.
But I survived all those long lonely days
When it seemed I did not have a friend.
'Cause all I needed was a little faith
So I could catch my breath and face the
World again.

Chorus 3 & 4:

Don't forget your second wind.
Sooner or later you'll feel that momentum kick in.
