Chorus

The musical score for the Chorus is written for piano and voice. It consists of four systems of music. The first system starts with a treble clef, a 3/4 time signature, and a key signature of one flat (F major). The melody begins with the lyrics 'They call him' in a mezzo-forte (mf) dynamic. The piano accompaniment features a steady eighth-note bass line. The second system continues with 'Flip - per, Flip - per fast - er than light - ning,' with a fermata over the word 'light'. The third system contains the lyrics 'No one you see is smart - er than he, And we know' with a fermata over the word 'he'. The fourth system concludes with 'Flip - per lived in a world full of won - der, ly - ing there un - der, un - der the sea.' with a final fermata over the word 'sea'. Chord symbols (F, C, G7, B, C#dim) are placed above the piano part to indicate the harmonic structure.

Additional Lyrics

2.

Verse: Look at the sky when rainbows appear,
 You can be sure that Flipper is near.
 Call him by name, alas and alack!
 He'll give you a ride on his back.

Chorus: We know our Flipper, Flipper knows ev'ry answer.
 No one can be much wiser than he.
 And we know Flipper lives in a world full of wonder,
 Lying there under, under the sea.

3.

Verse: Many a night, 'way down in the deep,
 Oysters make beds so Flipper can sleep.
 Happy and gay, when he comes along,
 They all start singing this song.

Chorus: They call him Flipper, Flipper faster than lightning.
 No one you see is smarter than he.
 And we know Flipper lives in a world full of wonder,
 Lying there under, under the sea.
